

To the Scientific Research Center  
Annex #1.3

To: Mr./Mrs. -----

**Director of LEPL Scientific Research Center of Agriculture**

Please be informed that within the scopes of the “Berries Subcomponent” of the state program “Plant the Future” approved with the Decree #56 of February 12, 2015 of the Government of Georgia I am planning to cultivate a perennial crop garden in the land plot with the cadastral code #-----

Following perennial crops will be cultivated in the garden:

Culture #1

Culture #2

Find the annexed results of the laboratory analysis of the soil for the land plot with the cadastral code #-----

I kindly ask to inform whether the soil complies with the standards necessary for the perennial crops listed above.
