

**To: Mr./Mrs.
Head of -----Regional Service
Agriculture and Rural Development Agency**

Please be informed that within the scopes of the “Berries Subcomponent” of the state program “Plant the Future” approved with the Decree #56 of February 12, 2015 of the Government of Georgia I am planning to cultivate a perennial crop garden in the land plot with the cadastral code #-----

Find the annexed excerpt on land (immovable) from the Public Registry and the cadastral map.

The land is provided with irrigation water, power supply (the power source is in not more than 800 meters from the outer perimeter of the plot); there are no plants and structures in the land plot designated for planting the berries.

You are kindly asked to confirm the fact of availability of irrigation water and power supply, as well as the absence of plants and structures, and prepare an appropriate report.
